APPLICATION and PROGRAM FEES Information

Participation Agreement

Acceptance into the Gulf Islands International Program is a privilege and with this privilege comes responsibility. We have certain expectations of the students who have been accepted into our program. Each student and their parents must read the following expectations and indicate their willingness to abide by them by signing in the space below.

- All international students must abide by the laws of Canada and their home country.
- Violence, such as fighting, bullying, racial taunting or similar activity will not be tolerated.
- Students are not permitted to drive any motor vehicle other than their own and then only if they have a valid B.C. driver's license.
- Students are not permitted to live on their own. They must be under the full time supervision and living with a homestay qualified adult 25 years of age or older.

INFRACTIONS OF ANY OF THE ABOVE COULD LEAD TO IMMEDIATE DISMISSAL.

- Students must attend school on a regular basis.
- Students must maintain at least a 65% average and have good or satisfactory work habits, including attitude and commitment to studies, in order to be allowed to continue in the program.

FAILURE TO ABIDE BY THESE CONDITIONS WILL RESULT IN THE STUDENT BEING PLACED ON ACADEMIC PROBATION. FAILURE TO IMPROVE ONCE PLACED ON ACADEMIC PROBATION WILL RESULT IN DISMISSAL FROM THE PROGRAM.

- While living with a homestay family, international students will treat the family and their home with respect, which includes obeying family rules and attempting to integrate into the family.
- Students are responsible for all their long distance phone calls. International phone calls require prior homestay approval.
- Students are responsible for their own internet access at their homestay. Speed of access varies on Salt Spring Island, but this is not a homestay placement consideration. We caution parents to restrict the amount of internet access that they authorize for their sons or daughters. In our opinion,

the students are better served engaged in their studies, interacting with their homestay families, or participating in recreational activities. Email accounts are provided free of charge and on a limited basis at the school for all of our international students.

- Students cannot change families at will. Any changes in a homestay must be done through the Student Services Coordinator. Under normal circumstances, one month's notice must be given or the homestay must be paid one month's fee in lieu of notice prior to any move.
- Students are not permitted to go on trips by themselves. A trip with the homestay is allowed. If permission from the natural parents is submitted beforehand and the conditions of the Travel Outside of the District form are met, students will be permitted to travel outside of the school district.
- Students are permitted to visit relatives, close family friends and student friends only if there will be guaranteed adult (age 25 or older) supervision, parent permission has been granted, and sufficient notice given to the host family.
- Students are not permitted to hitchhike. Host parents are expected to arrange appropriate transportation for the students in their care.

ANY CONTINUOUS FAILURE TO ABIDE BY THESE RULES AND GUIDELINES WILL BE GROUNDS FOR DISMISSAL LEADING TO THE TERMINATION OF THE STUDY PERMIT.

I have read the above and agree to abide by these rules and regulations. I understand that this agreement is in effect from the time that I enter the program until the time that I officially leave it.
